RE: Private federal Union Resignation Letter

Having written, pleaded, telephoned, faxed, emailed, recorded, published, etc. for many years now, I hereby (again give notice) resign as a member of the union of the UNITED STATES OF AMERICA. My resignation is effective since inception. However, it should be noted that I performed said act in front of the United States Consulate Officer in Vancouver BC in the fall of 1999. Therefore, I will continue to meet my lawful obligation (if any might be applicable to a non-taxable clergyman) of paying a representation fee to the original Union if any.

Furthermore, I object to collection and expenditure of a fee for any purpose other than my pro rata share of the union's costs of collective bargaining, contract administration, and grievance adjustment, as is my constitutional right in accord with *Abood v. Detroit Board of Education*, 431 U.S. 209 (1977). In accord with *Chicago Teachers Union v. Hudson*, 475 U.S. 292 (1986), I request that you provide me with my First Amendment procedural rights, including: reduction of my fees to an amount that includes only constitutionally chargeable costs; notice of the calculation of that amount, verified by an independent certified public accountant; and notice of the procedure that you have adopted to hold my fees in an interest-bearing escrow account and give me an opportunity to challenge your calculation and have it reviewed by an impartial decision maker.

[If you pay dues by payroll deduction, include the following: Accordingly, I also hereby notify you that I wish to authorize only the deduction from my wages of representation fees limited to those costs that are lawfully chargeable under the First Amendment to the United States

Constitution. If I am required to sign a form to make that change, please provide me with the necessary form.]

Please reply promptly. Any further collection or expenditure of dues or fees from me made without the procedural safeguards required by the First Amendment to the United States Constitution will violate my unalienable and contractual rights protected in accord with the Federal Civil Rights Act of 1871, 42 U.S. Code § 1983, and the U.S. Constitution for damages against anyone within the original Republic of The United States of America if said damages came from anyone in the private federal union.

Finally, please consider this objection to be permanent and continuing in nature as I have notified the US Government, States, etc. numerous times over the years. The only remaining act has been collection of the trust res held at either the Depository Trust Company at 55 Water Street, New York, New York 10041 or the U.S. Treasury/Bureau of Public Debt (Legacy Account) at 1500 Pennsylvania Ave., Washington D.C.

RE: Private federal Union Resignation Letter

Today I submitted my resignation the union of the UNITED STATES OF AMERICA. A copy of my letter to the union is enclosed. I will continue to meet my lawful obligation of paying a representation fee to the original Union if any.

Furthermore, I object to the collection and expenditure by the union of a fee for any purpose other than my pro rata share of the union's costs of collective bargaining, contract administration, and grievance adjustment, as is my right under *Ellis v. BRAC*, 466 U.S. 435 (1984). Pursuant to *Chicago Teachers Union v. Hudson*, 475 U.S. 292 (1986), I request that you ensure that the union provides me with my procedural rights, including those outlined in my letter to the union if it does not, I ask that the UNITED STATES OF AMERICA provide them.

[If you pay dues by payroll deduction, include the following: Accordingly, I also hereby notify you that I wish to authorize only the deduction from my wages of representation fees limited to those costs that are lawfully chargeable under the First Amendment to the United States Constitution. If I am required to sign a form to make that change, please provide me with the necessary form.

Please reply promptly to my request. Any further collection or expenditure of dues or fees from me made without the procedural safeguards required by law will violate my rights under the Federal Civil Rights Act of 1871, 42 U.S. Code § 1983, and/or The State of Delaware Constitution for damages against anyone within the original Republic of The United States of America if said damages came from anyone in the private federal union.

Respectfully submitted,
